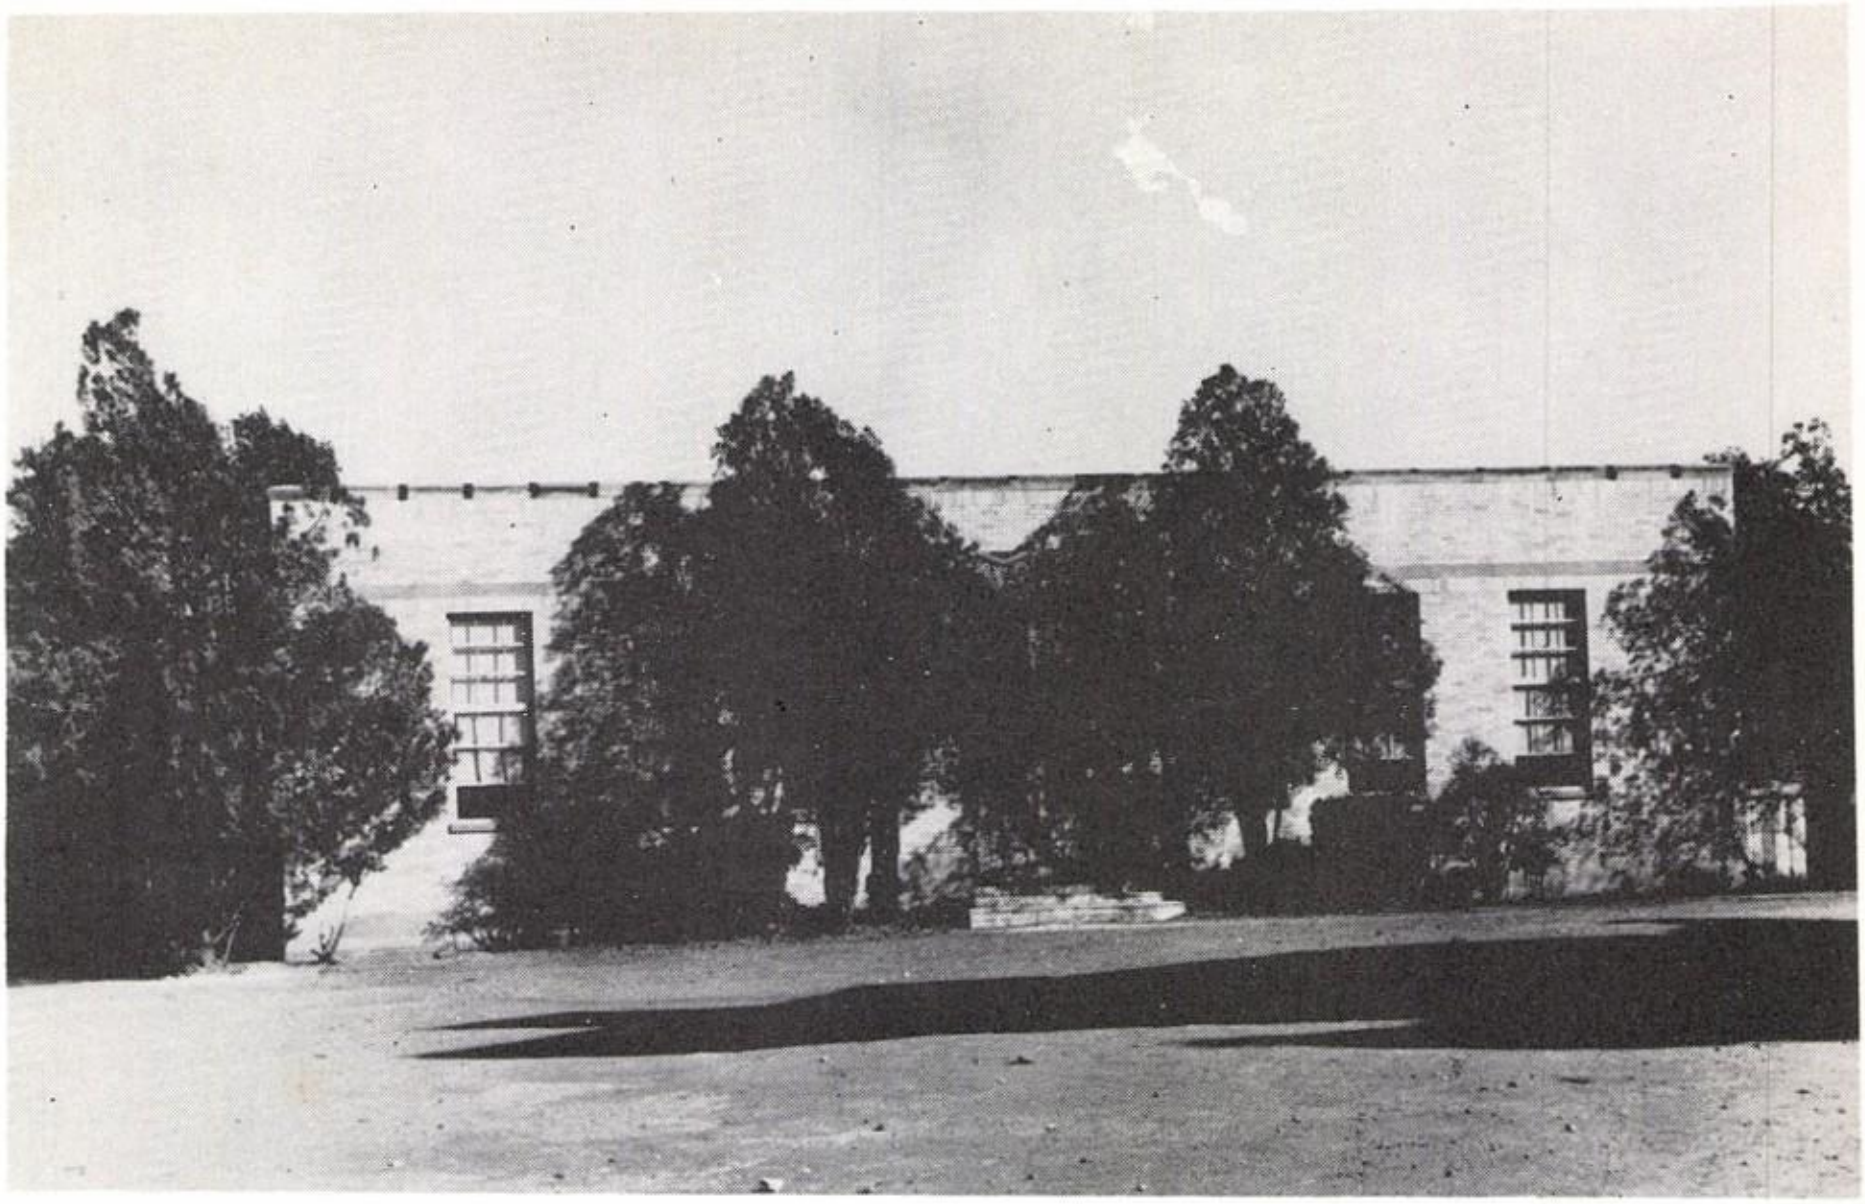
Foreword

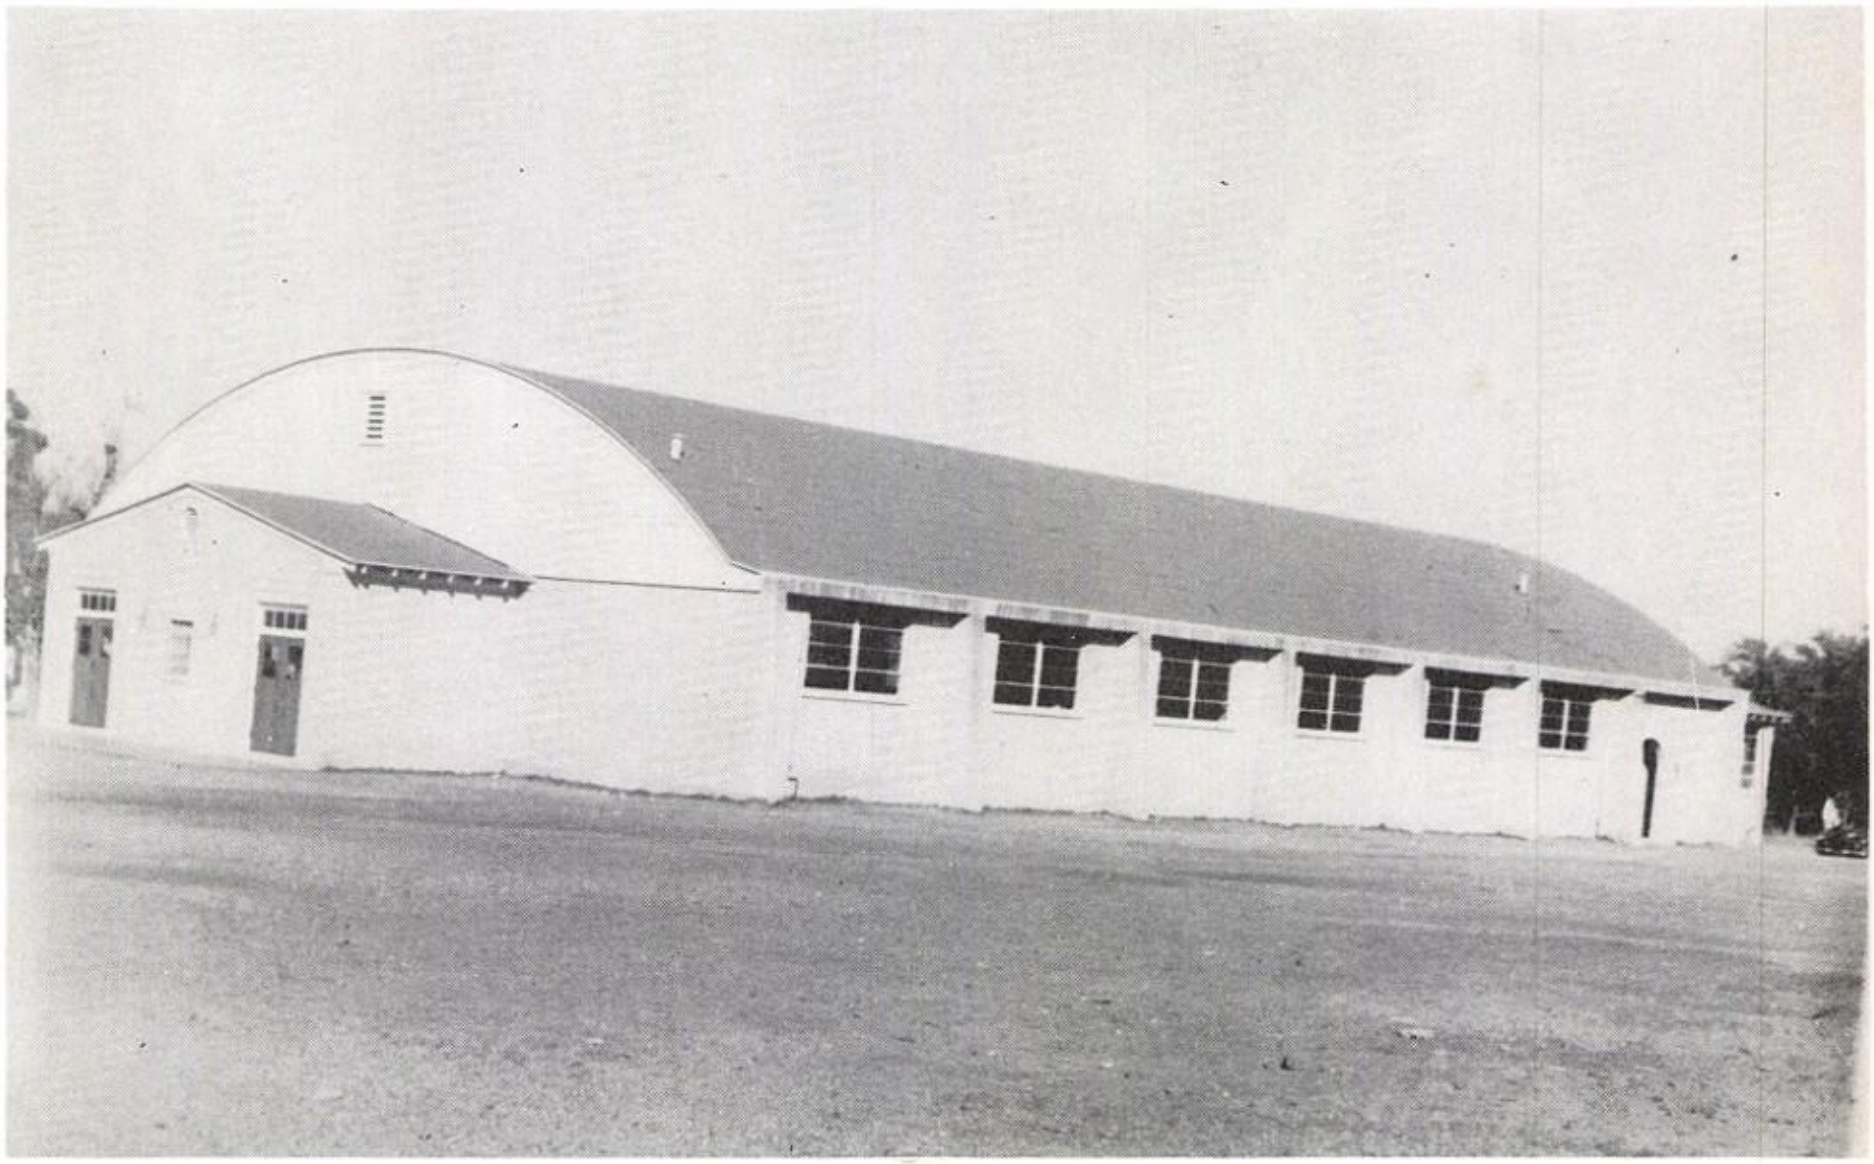
In presenting the first volume of THE BULLDOG, we have endeavored to give you in pictorial fashion the life and activities of Flatonia High School. We hope that you will enjoy seeing these scenes as much as we have enjoyed our part in presenting them, and that in years to come they may bring back pleasant memories of our High School Days.

The annual staff and sponsor wish to thank the faculty, students, friends and business houses whose cooperation with us has made this annual possible.

The Staff.



FLATONIA HIGH SCHOOL



THE GYMNASIUM

To a gentleman and a scholar, one who represents the best in administration and teaching—to superintendent Edwin E. Plowman this book is dedicated, for his leadership and interest in our school.

SUPERINTENDENT'S MESSAGE

Dear Friends:

It is a pleasure for me to congratulate the members of this annual staff and their sponsor in the publication of the first Annual of Flatonia High School. You have begun a project in our school which is a worthy accomplishment for you now, and its value will increase with each year's group of high school students.

Few of us realize the richness of living until the events in our lives have gone by. In this annual you have recorded the events of your school days in words and pictures which you will treasure in the years to come. In the years to come you will find great enjoy ment in reviewing the happiest days of your life. Even your children will find something in this book that will make you proud of its possession.

With best wishes for a successful future, I am

Sincerely,

Edwin E. Plowman
